ASSURANCE OF VOLUNTARY COMPLIANCE

This Assurance of Voluntary Compliance¹ is entered into by the Attorneys General of Connecticut², Florida, Maine, Maryland, North Carolina, New Jersey, New York, Pennsylvania, and Vermont (hereinafter collectively referred to as the "Attorneys General") and T.D. Bank, N.A. (the "Bank" and together with the Attorneys General, the "Parties") after an investigation into the policies, procedures, and practices of the Bank following an incident in which a locked bag containing two Backup Tapes, of which contained Personal Information, went missing from Bank premises in March 2012 ("Covered Conduct").

WHEREAS, the Attorneys General's investigation pertained to allegations that the Bank violated state law, including the consumer protection and personal information safeguards statutes listed on Attachment A;

WHEREAS, the Bank has continued in good faith to assist the Attorneys General in their investigation and has conferred with the Attorneys General regarding the concerns of the Attorneys General;

¹ This Assurance of Voluntary Compliance shall, for all necessary purposes, also be considered an Assurance of Discontinuance.

² For ease of reference purposes, this entire group will be referred to collectively herein as the "Attorneys General" or individually as "Attorney General." Such designations, however, as they pertain to Connecticut, shall refer to the Commissioner of Consumer Protection.

WHEREAS, the parties wish to resolve all legal claims in lieu of the Attorneys General commencing actions pursuant to the consumer protection and personal information safeguards statutes listed on Attachment A.

NOW THEREFORE, without admitting wrongdoing or liability to any violation of law, all of which the Bank expressly denies, the Bank has voluntarily and knowingly entered into this Assurance of Voluntary Compliance ("Assurance") in order to avoid the time and expense of litigation and to resolve all matters between the Parties. The Attorneys General agree to accept this Assurance on the terms and conditions contained herein, pursuant to their respective state laws, in lieu of commencing an enforcement action. This Assurance resolves all existing claims the Attorneys General may have against the Bank pursuant to the consumer protection and personal information safeguards statutes listed on Attachment A resulting from the Covered Conduct.

NOW THEREFORE, the Parties agree and stipulate as follows.

For the purposes of this Assurance, the following definitions shall apply:

1. "Backup Tape" shall mean a magnetic tape data storage device that is designed to be portable and to store large volumes of digital information such as copies of computer servers and network applications.
2. "Breach of security" shall have the same meaning as that term is defined in the breach notification and personal information safeguards laws cited in Attachment B.
3. "Effective Date" shall mean the date on which this Assurance is duly executed by the Parties.

4. "Personal Information" shall have the same meaning as that term is defined in the breach of security and personal information safeguards statutes listed in Attachment B.

For any Backup Tapes in existence prior to the Effective Date that are not secured by encryption, the Bank shall only transfer or otherwise transport such tapes off of the Bank's business premises via armored transport vehicle.

5. The Bank shall, at least bi-annually, review its existing internal policies and procedures regarding the collection, storage, transfer and transportation of Personal Information, and, where the review results in a determination by the Bank that it is necessary, promptly amend such policies and procedures to protect more adequately the privacy and confidentiality of Personal Information.

6. Such policies and procedures shall, at a minimum, provide for the following:

- a. Designation of an employee or employees to coordinate and supervise the Bank's program designed to protect the privacy and security of Personal Information;
- b. Annual employee training to, at a minimum:
 - i. inform employees who are responsible for creating or handling Backup Tapes about the importance of consumer privacy and their duty to help maintain it; and

- e. Regular assessments of the effectiveness of the Bank's internal controls and procedures related to Backup Tapes containing Personal Information and the implementation of updates to such controls based on those assessments; and
- f. Continued development and maintenance of policies and procedures for responding to events involving unauthorized acquisition, access, use or disclosure of Personal Information.

III. PAYMENT TO THE STATES

Within thirty (30) days of the Effective Date, the Bank shall pay Eight Hundred Fifty Thousand Dollars (\$850,000.00) to the Attorneys General. The money is to be allocated among the Attorneys General as determined solely by the Attorneys General. Said payment shall be used by the Attorneys General for such purposes that may include, but are not limited to attorneys' fees, and other costs of investigation and litigation, or to be placed in, or applied to, the consumer protection law enforcement fund, including future consumer protection or privacy enforcement, consumer education, litigation or local consumer aid fund or revolving fund, used

4. This Assurance shall bind the Bank hereto and its agents, employees, successors, and assigns.
5. The Bank further agrees to execute and deliver all authorizations, documents and instruments which are necessary to carry out the terms and conditions of this Assurance.
6. Except as expressly provided in this Assurance, nothing in this Assurance shall be construed as relieving the Bank of its obligation to comply with all state and federal laws, regulations or rules, or as granting permission to engage in any acts or practices prohibited by such law, regulation or rule. Consent to this Assurance does not constitute an approval by the Attorneys General of any of the Bank's business past, present or future acts and practices.
7. The Bank shall use reasonable efforts to notify its board of directors of the existence of this Assurance and of the obligations, duties, and responsibilities imposed on the Bank by this Assurance at the next regular board meeting at which the board is scheduled to receive an update on privacy and information security.
8. Assurance sets forth all of the promises, covenants, agreements, conditions and understandings between the Parties, and supersedes all prior and contemporaneous agreements,

understandings, inducements or conditions, expressed or implied. There are no representations, arrangements, or understandings, oral or written, between the Parties relating to the subject matter of this Assurance that are not fully expressed herein or attached hereto. Each party specifically warrants that this Assurance is executed without reliance upon any statement or representation by any other party hereto, except as expressly stated herein.

9. If any portion of this Assurance is held invalid by operation of law, the remaining terms of this Assurance shall not be affected and shall remain in full force and effect.

11. Unless otherwise prohibited by law, this Assurance may be executed in any number of counterparts and by different signatories on separate counterparts, each of which shall constitute an original counterpart hereof and all of which together shall constitute one and the same document.
